## **Conference Sponsorship Opportunities**

### **Safety and Health Excellence Conference & Exposition**

**June 21 – 23, 2022**

**Killington Grand Resort Hotel & Conference Center Killington, VT.**

Conference Planning is underway for the 2022 VPPPA (Voluntary Protection Program Participant's Association) Region 1 (New England) Safety and Health Excellence Conference and Exposition. The annual conference is the premier Safety and Health conference in New England focusing on OSHA's Voluntary Protection Program and VPP Excellence.

There are opportunities available to support the Region 1 Chapter through Sponsorship at the 2022 New England VPPPA Conference. Sponsoring a conference event or donating of a giveaway presents an excellent opportunity to reach the 275 participants expected to attend.

Increase your company visibility at the Region 1 VPPPA Conference through sponsorship. You can select from a multi-tiered package of sponsorship opportunities, or you can select a specific item or conference event to meet your marketing needs.

If interested, please review the options listed below and select the best fit for your intentions or marketing needs. To customize a sponsorship or explore new chapter support options, please contact Karen Girardin (207-552-4909 or email [kgirardin@llbean.com](mailto:kgirardin@llbean.com)) of the Conference Planning Committee.

Thanks in advance for your support of the Region 1 VPPPA Chapter and VPP in New England!
